### My Wonderful Family

I live in a house near the mountains. I have two brothers and one sister, and I was born last. My father teaches mathematics, and my mother is a nurse at a big hospital. My brothers are very smart and work hard in school. My sister is a nervous girl, but she is very kind. My grandmother also lives with us. She came from Italy when I was two years old. She has grown old, but she is still very strong. She cooks the best food!

My family is very important to me. We do lots of things together. My brothers and I like to go on long walks in the mountains. My sister likes to cook with my grandmother. On the weekends we all play board games together. We laugh and always have a good time. I love my family very much.

### My family at home

My family lives in a small house. It's simple but pretty. It has a large garden. I like to work in the garden but my sister hates to work in the garden. She prefers to read. She reads in the morning, in the afternoon and at night.

I give all of the vegetables to mom and dad. They like to cook in our small kitchen. I eat any vegetable but my sister eats only a few.

My family always eats breakfast and dinner together. We talk. We laugh. Then my sister washes the dishes.

At night dad likes to listen to music. Mom works on the computer. I watch television. And my sister reads.

Soon we go to bed. My parents go to bed late but my sister and I go to bed early. I'm ready to go to sleep but my sister wants to keep reading.

### Going to work in the morning

My job is a long distance from my home, almost 50 miles away. I have to wake up early every morning, as I'm always in a rush. There's never enough time for a relaxed breakfast. At exactly 6:00 AM, I get into my car and start the long drive.

I usually like driving on the highway more than in the city. During the morning rush hour, though, it's not very enjoyable. The heavy traffic is a little bit annoying. So I always listen to my favorite classical music CD's in the car – Chopin, Mozart, and Bach. That cheers me up a lot.

The drive to work takes about one hour. Going back home in the evening after work takes even longer, maybe around 70 minutes. Lately I've been thinking about trying to take the train to work instead of driving. That way, I could still listen to my music with headphones, and even read a novel at the same time.
